

FIX PRICE SUPPORTS RUN FOR AUTISM CHARITY RACE IN ASTANA

27 April 2026 – Fix Price partnered with the annual [Run for Autism](#) charity race, which took place on 26 April in Astana’s Botanical Garden. The event was organised by Bolashak Charity, one of the largest public organisations in Kazakhstan, as part of Autism Awareness Month.

The race brought participants together around a shared goal: to raise awareness of autism spectrum disorders and support the growth of inclusion in Kazakhstan. For many, this was not only a sporting occasion but also an opportunity to express support and solidarity.

Fix Price backed the participants of the Fun Starts – a sports and entertainment relay for children with autism and other developmental conditions. Each child received a gift set featuring healthy snacks from the Company's product range, along with colouring books, markers, and other small presents. Around 180 children took part in the relay, aged 5 to 14, with conditions including autism, Down syndrome, cerebral palsy, developmental and speech delays, dyslexia, and others.

“Run for Autism is a special event because it involves teenagers from our programmes, their families, teachers, partners, and friends of our foundation. That is why the race has long evolved from an ordinary event into a genuine movement, connecting people across cities around a shared mission. Partner support is especially important to us. Thanks to Fix Price and other friends of the race on board, it becomes a true celebration of sport, compassion, and equal opportunities for everyone.”

Dinara Gaplan, Chair of the Board of Trustees of Bolashak Charity Foundation

ABOUT THE COMPANY
