

FIX PRICE KAZAKHSTAN SUPPORTS COMES ANIMAL SHELTER IN ALMATY REGION

14 October 2026 – Fix Price Group PLC (AIX: FIXP.Y; "Fix Price", the "Company" or the "Group"), one of the world's leading variety value retailers and the largest in Russia, donated cat food, toys, brushes and other essential supplies worth a total of KZT 500,000 to the Comes animal shelter in Kazakhstan's Almaty Region. The initiative was launched to mark World Animal Day on 4 October.

The Comes.kz public foundation, founded by siblings Sergey Snegiryov and Yulia Snegiryova, rescues and rehabilitates homeless animals and helps them find new families. Operating since 2018, the shelter takes in animals from animal control services as well as pets that have suffered abuse. Following treatment and rehabilitation, the animals are placed for adoption into permanent homes. The shelter currently houses more than 400 cats and dogs, all of which require daily feeding, care and medical treatment. The foundation continues to monitor the welfare of animals after adoption, with their new owners regularly providing updates on how the pets are settling into their new homes. The donation will help the shelter reduce its animal care costs.

Caring for one another is one of the core values of Fix Price, a retailer offering products for the whole family. Supporting the Comes shelter is a way to extend this care beyond our own homes, ensuring animals receive the food and attention they need while awaiting adoption.

«Pet food is in high demand among our customers. We believe it is important to also care for animals that have yet to find a home of their own. We are pleased to support the Comes shelter on this important occasion and to echo the words of our partners: 'When you adopt an animal from a shelter, you save two lives – the one you take home and the one that can take its place',

Alexey Ermakov, Director of Fix Price Kazakhstan

«For the shelter every pack of pet food means less time spent securing food and more time available for treating and socialising the animals. This support is particularly important right now, as it directly affects the number of animals we can take in and provide with the treatment they need»,

Yulia Snegiryova, Co-founder of the Comes animal shelter

Supporting Comes marks another step in Fix Price's ongoing social initiatives in Kazakhstan. Earlier this year, the Company partnered with the Run for Autism charity race in Astana. Fix Price previously worked with the Kazakhstan-based Plus One charitable foundation to assemble stationery kits for schoolchildren from rural communities across the country. The Company also regularly organises tree-planting initiatives in Kazakhstan.
